

# Goodnight, Sleep Tight

What a Wonderful Flight

## Clothespin Airplane Craft Activity

### You will need:

- Clothespins
- Paint
- Craft sticks (Small and Large/Medium)
- Craft bead or Thumb tacks ( Only adults should handle the thumbtacks)
- Glue
- Scissors
- Cardboard
- Magnet strip ( optional)

## Instructions:

- Paint your clothespin in the colour of your choice and let it dry completely.
- Select two large/medium craft sticks and paint them in the colour of your choice, these will form the front wings of your plane.
- Select a small craft stick and paint it in the colour of your choice, this will be the back wing of your plane.
- Cut out a rounded strip of cardboard for the propeller.
- Paste the front and back wings on to the clothespin using the glue.
- Paste the cardboard propeller to the front of the plane and finish off with the craft bead or thumb tack.
- You can add a magnetic strip to the bottom of the plane and use it as a fridge magnet if you wish.
